2013-11-01 Financial accounting is undergoing a period of unprecedented change. The FASB and IASB have been working together to issue converged accounting standards that will dramatically change key reporting areas, and more generally have sought to converge accounting standards over time. In late 2011, the SEC will announce its decision on whether large public companies in the U.S. will be able to choose whether to report under U.S. GAAP or IFRS or if all companies are anticipated to be reporting under IFRS in the near future. So, while there currently is considerable overlap between U.S.

GAAP and IFRS, and that overlap is increasing as convergence continues, important differences remain. To help instructors deal with the challenging environment, the Spiceland team is committed to providing current, comprehensive and clear coverage of intermediate accounting. The 7th edition reflects this commitment with the following innovations.

**International Financial Reporting Standards (IFRS) 2016 : deutsch-englische Textausgabe der von der EU gebilligten Standards und**

**Interpretationen** 2016-03-09 Die International Financial Reporting Standards (IFRS) sind auf Grund einer Verordnung EU-weit von allen börsennotierten Unternehmen verbindlich anzuwenden. In Deutschland besteht für Konzernabschlüsse nicht-kapitalmarktorientierter Konzerne und für spezielle Jahresabschlüsse die Möglichkeit einer freiwilligen Bilanzierung nach IFRS. Diese Textausgabe enthält alle International Financial Reporting Standards (IFRS) bzw. International Accounting Standards (IAS) sowie alle Interpretationen (SICs, IFRICs), die

von der Europäischen Union (EU) gebilligt und so für kapitalmarktorientierte Unternehmen verpflichtend anzuwenden sind. Die Standards werden in englischer und deutscher Sprache synoptisch gegenübergestellt. Auf diese Weise wird ein Vergleich mit dem englischen Ursprungstext ermöglicht. Dieser hat besondere Bedeutung, da er in Auslegungsfragen herangezogen werden muss. Die Textausgabe enthält ein Vorwort und eine Einführung von Professor Dr. Henning Zülch, HHL-Leipzig Graduate School of Management, und Prof. Dr. Matthias Hendler, Münster. Die Ausgabe 2016 berücksichtigt alle Änderungen, die von der Europäischen Union bis zum 1. Februar 2016 übernommen wurden. Nur zum Verkauf innerhalb der Europäischen Wirtschaftsraums.

*Restoring the Vocation of a Christian College* Brad Pardue 2022-05-19

*Restoring the Vocation of a Christian College* examines the vocation of a Christian institution of higher learning—to faithfully educate students—and how individual Christian teachers and scholars can participate in this process no matter their discipline. It surveys and engages developments over the last few decades in Christian worldview studies, Christian pedagogy, character formation, and vocational reflection. Through individual essays by college administrators,

cocurricular staff, and faculty from a wide range of disciplines, it provides both thoughtful reflection and concrete application of these often abstract concepts to specific institutional settings and the actual classroom experience.
