With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

The Blues Encyclopedia Edward Komara 2004-07 The Blues Encyclopedia is the first full-length authoritative Encyclopedia on the Blues as a musical form. While other books have collected biographies of blues performers, none have taken a scholarly approach. A to Z in format, this Encyclopedia covers not only the performers, but also musical styles, regions, record labels and cultural aspects of the blues, including race and gender issues.

Special attention is paid to discographies and bibliographies. Jazz Transatlantic, Volume I Gerhard Kubik 2017-10-17 A CHOICE 2018 Outstanding Academic Title In Jazz Transatlantic, Volume I, renowned scholar Gerhard Kubik takes the reader across the Atlantic from Africa to the Americas and then back in pursuit of the music we call jazz. This first volume explores the term itself and how jazz has been defined and redefined. It also celebrates the phenomena of jazz performance and uncovers hidden gems of jazz history. The volume offers insights gathered during Kubik's extensive field work and based on in-depth interviews with jazz musicians around the Atlantic world. Languages, world views, beliefs, experiences, attitudes, and commodities all play a role. Kubik reveals what is most important-the expertise of individual musical innovators on both sides of the Atlantic, and hidden relationships in their thoughts. Besides the common African origins of much vocabulary and structure, all the expressions of jazz in Africa share transatlantic family relationships. Within that framework, musicians are creating and re-creating jazz in never-ending contacts and exchanges. The first of two volumes, Jazz Transatlantic, Volume I examines this transatlantic history, sociolinguistics, musicology, and the biographical study of personalities in jazz during the twentieth

century. This volume traces the African and African American influences on the creation of the jazz sound and traces specific African traditions as they transform into American jazz. Kubik seeks to describe the constant mixing of sources and traditions, so he includes influences of European music in both volumes. These works will become essential and indelible parts of jazz history.

Gewaltmusik, Musikgewalt Klaus Miehling 2006

Subduing Satan Ted Ownby 2014-02-01 The Praying South and the Fighting South are two of our most popular images of white southern culture. In *Subduing Satan*, Ted Ownby details the tensions between these complex--and often opposing--attitudes. "Ownby's re-creation of male recreation is rich and fascinating. He paints the saloon and the street, the cockfighting and dogfighting rings as realms of distinctly male vices, enjoyed lustily by men seeking to escape the sweet virtue of the Southern Christian home.--Nation "A bold new thesis. . . . [Ownby] gives us guideposts in the ongoing search for the meaning of southern history.--Journal of Southern History "I suspect that for many years ahead Ted Ownby's *Subduing Satan* will serve as the standard guide on how to write religious social history.--Bertram Wyatt-Brown, University of Florida "This is one of the freshest and most interesting books written about the American South in years. By focusing on the cultural conflicts of everyday life, Ownby gets us right to the heart of white culture in the South between Reconstruction and the 1920s.--Edward L. Ayers, University of Virginia

Canadian Feature Film Index, 1913-1985 D. John Turner 1987

Journeyman's Road Adam Gussow 2007 "Undercutting familiar myths about the downhome sources of blues authenticity, Gussow celebrates New York's mongrel blues scene: the artists, the jam sessions, the venues, the street performers, and the eccentrics. *Journeyman's Road* offers a portrait of the New York subculture struggling with the legacy of 9/11 and healing itself with the

blues."--BOOK JACKET.

Japan Pop: Inside the World of Japanese Popular Culture Timothy J. Craig 2015-04-08 A fascinating illustrated look at various forms of Japanese popular culture: pop song, jazz, enka (a popular ballad genre of music), karaoke, comics, animated cartoons, video games, television dramas, films and "idols" -- teenage singers and actors. As pop culture not only entertains but is also a reflection of society, the book is also about Japan itself -- its similarities and differences with the rest of the world, and how Japan is changing. The book features 32 pages of manga plus 50 additional photos, illustrations, and shorter comic samples.

Religion and Popular Music Andreas Häger 2018-09-06 Through in-depth case studies, *Religion and Popular Music* explores encounters between music, fans and religion. The book examines several popular music artists - including Bob Dylan, Prince and Katy Perry - and looks at the way religion comes into play in their work and personas. Genres explored by contributing authors include country, folk, rock, metal and Electronic Dance Music. Case studies in the book originate from a variety of geographic and cultural contexts, focusing on topics such as nationalism and hard rock in Russia, fan culture in Argentina, and punk and Islam in Indonesia. Chapters engage with the central issue of how global music meets local audiences and practices, and considers how fans as well as religious groups react to the uses of religion in popular music. It also looks at how they make these interactions between popular music and religion components in their own identity, community and practice. Tapping into a vital and lively topic of teaching, research and wider cultural interest, and employing diverse methodologies across musicians, fans and religious groups, this book is an important contribution to the growing field of religion and popular music studies.

A Companion to the American South John B. Boles 2008-04-15 *A Companion to the American South* surveys and evaluates the most important and innovative writing on the entire sweep of the

history of the southern United States. Contains 29 original essays by leading experts in American Southern history. Covers the entire sweep of Southern history, including slavery, politics, the Civil War, race relations, religion, and women's history. Surveys and evaluates the best scholarship on every important era and topic. Summarizes current debates and anticipates future concerns.

Media in America Douglas Gomery 1998 Twenty outstanding essays from the engaging and readable Wilson Quarterly magazine illuminate journalism, entertainment, and the cultural underpinnings of modern communications. Media in America's sections cover literacy, popular culture, and advertising; news and politics; movies and music; and television and new media technologies. A natural for classes in journalism and media studies, *Media in America: The Wilson Quarterly Reader* includes the best and most relevant material from twenty years of the Wilson Quarterly, adds one original article, and offers bibliographic essays indicating additional reading in all areas of media studies.

Peace of Mind and Healing of Broken Lives Adam Asar

I'd Rather Be the Devil Stephen Calt 2008-04-01 Providing a clear look into the life of one of the greatest Mississippi bluesmen, this is the first biography of the late Skip James, perhaps the most creative and idiosyncratic of all blues musicians. His 1931 performances of "Devil Got My Woman," "I'm So Glad," and "22-20 Blues" are masterpieces that transcend the

genre. Drawing largely on hundreds of hours of conversations with James himself, it paints a dark and unforgettable portrait of a man untroubled by his own murderous inclinations, a man who achieved one moment of transcendent greatness in a life haunted by failure. In doing so, it offers new insights into the nature of the blues, the world in which it thrived, and its fate when that world vanished.

The Oxford Handbook of Music and World Christianities Suzel Ana Reily 2016 *The Oxford Handbook of Music and World Christianities* investigates music's role in everyday practice and social history across the diversity of Christian religions and practices around the globe. The volume explores Christian communities in the Americas, Europe, Africa, Asia, and Australia as sites of transmission, transformation, and creation of deeply diverse musical traditions. The book's contributors, while mostly rooted in ethnomusicology, examine Christianities and their musics in methodologically diverse ways, engaging with musical sound and structure, musical and social history, and ethnography of music and musical performance. These broad materials explore five themes: music and missions, music and religious utopias (and other oppositional religious communities), music and conflict, music and transnational flows, and music and everyday life. The volume as a whole, then, approaches Christian groups and their musics as diverse and powerful windows into the way in which music, religious ideas, capital, and power circulate (and change) between places, now and historically. It also tries to take account of the religious self-understandings of these groups, presenting Christian musical practice and exchange as encompassing and negotiating deeply felt and deeply rooted moral and cultural values. Given that the centerpiece of the volume is Christian religious musical practice, the volume reveals the active role music plays in maintaining and changing religious, moral, and cultural values in a long history of intercultural and transnational encounters.

The South Rebecca Mark 2004 An exploration of the history and culture of the South includes alphabetical entries on the architecture, art, ecology, folklore, food, religion, and recreation of the region.

Encyclopedia of the Blues Edward M. Komara 2006 This comprehensive two-volume set brings together all aspects of the blues from performers and musical styles to record labels and cultural issues, including regional evolution and history. Organized in an accessible A-to-Z format, the Encyclopedia of the Blues is an essential reference resource for information on this unique American music genre. For a full list of entries, contributors, and more, visit the Encyclopedia of the Blues website.

The Gospel According to the Blues Gary W Burnett 2015-03-26 'The Gospel According to the Blues' dares us to read Jesus's Sermon on the Mount in conversation with Robert Johnson, Son House, and Muddy Waters. It suggests that thinking about the blues - the history, the artists, the songs - provides good stimulation for thinking about the Christian gospel. Both are about a world gone wrong, about injustice, about the human condition, and about hope for a better world. In this book, Gary Burnett probes both the gospel and the history of the blues, to help us understand better the nature of the good news that Jesus preached, and its relevance and challenge to us.

Freedom's Coming Paul Harvey 2005 In a sweeping analysis of religion in the post-Civil War and twentieth-century South, Freedom's Coming puts race and culture at the center, describing southern Protestant cultures as both priestly and prophetic: as southern formal theology sanctifi

Blues and Evil Jon Michael Spencer 1993

Count Geiger's Blues Michael Bishop 2012-11-30 Xavier Thaxton is the arts editor of a great metropolitan newspaper, and is a man whose aesthetic values are of only the highest calibre. But after an accidental dip in a radioactive swimming hole, Xavier finds his

life changing as he is forced, step by step, despite all he can do, to assume the mantle and manner of a comic book superhero, and to be a living icon of the pop culture he has spent his life detesting.

The Mammoth Book of Best New Horror 11 Stephen Jones 2012-03-01 As usual, acclaimed horror anthologist Stephen Jones has chosen the finest short stories and novellas of supernatural and psychological fiction. With the most comprehensive review of the year, useful contact lists, and a fascinating necrology as a bonus, this is one book that every horror fan must have.

Satan's Counterfeit Healing Lawrence E. Burkholder 2019-09-30 "The Christian church worldwide has been taken prisoner by Satan's counterfeit healing." This statement is based on the author's personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus' true miracles. For two thousand years of church history there's been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

The Psychic Soviet Ian F. Svenonius 2020-07-07 A reissue of Ian F. Svenonius's cult-classic debut essay collection, including brand-new writing in this expanded edition. "Everything author-slash-punk-icon Ian Svenonius says is interesting, and this book of satirical essays--originally published in 2006, now back in print--proves it...You'll laugh until you cry." --Washington Post "Ian F. Svenonius's *The Psychic Soviet* was first published before the iPhone, before the cronut, and long before our culture thought to ask the Svenonius-like question of whether it was the CIA who actually wrote the Scorpions' 'Wind of Change.' Akashic Books just reissued...this short, offbeat, and very funny collection of essays." --Washingtonian "As entertaining as books come." --Exclusive Magazine "In a sense the book is Mr. Svenonius's love letter to the good old days of do-it-yourself punk concerts, though it's cleverly disguised as a series of Marxian essays." --New York Times "The pocket-sized book--given Svenonius's communism infatuation, the parallel to Mao's Little Red Book is no mistake--contains well-thought-out arguments on a variety of subjects, from vampires to the origins of punk rock. It's often funny, but never in a self-consciously ironic way." --Washington Post "Ian Svenonius has come a long way since Sassy Magazine first dubbed him the 'Sassiest Boy in America' in 1991. The DC singer has never been anything less than political to the extreme." --Village Voice A new, expanded collection of essays and articles from one of the mainstays of the Washington, DC, underground rock and roll scene, *The Psychic Soviet* is Ian F. Svenonius's groundbreaking first book of writings. The selections are written in a lettered yet engaging style, filled with parody and biting humor that subvert capitalist culture, and cover such topics as the ascent of the DJ as a star, the "cosmic depression" that followed the defeat of the USSR, how *Seinfeld* caused the bankruptcy of modern pop culture, and the status of rock and roll as a religion. The pocket-sized book is bound with a durable bright-pink plastic cover, recalling the aesthetics of Mao's Little

Red Book, and perfect for carrying into the fray of street battle, classroom, or lunch-counter argument.

Weekly World News 2004-04-12 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Psychic Blues Mark Edward 2012-08-14 "Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology of humans, a foe of those who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer."—Joel Moskowitz, International Brotherhood of Magicians Mark Edward admits that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Now Edward is a magician who works the Haunted Castle in Hollywood and is also on the editorial board of *Skeptic* magazine, where he reveals the means of psychic scamsters. This entertaining book is at once a confessional and instructional regarding human belief and those who exploit it. Though Edward believes that most practitioners of the psychic business are out-and-out scam artists, he also counters the skeptic belief that the supernatural is a lie. Both skeptic and skeptical of skepticism, Mark Edward has worked as a 900-number psychic, ghost hunter, and Hollywood Magic Castle medium. He has also worked vigorously to debunk psychic frauds and currently works on the editorial board of *Skeptic* magazine.

The Devil on Screen Charles P. Mitchell 2015-06-08 The Devil has been represented in many film genres, including horror, comedy, the musical, fantasy, satire, drama, and the religious epic, and in these works has assumed many shapes and forms. This book begins with a discussion of how the devil has been portrayed on stage, how that portrayal carried over to the big screen, and what

are the standard elements of a satanic plot. Each entry in the filmography includes year of production, running time, writer, editor, cinematographer, producer, and director, evaluative rating, annotated cast list, plot synopsis, overall appraisal, and a spotlight on the actor playing Satan.

Franchising Dreams Peter M. Birkeland 2004-04 Franchises have become an ever-present feature of American life, both in our landscapes and our economics. Peter M. Birkeland worked for three years in the front-line operations of franchise units for three companies, met with CEOs and executives, and attended countless trade shows, seminars, and expositions. Through this extensive fieldwork Birkeland not only discovered what makes franchisees succeed or fail, he uncovered the difficulties in running a business according to someone else's system and values. Bearing witness to a market flooded with fierce competitors and dependent on the inscrutable whims of consumers, he revealed the numerous challenges that franchisees face in making their businesses succeed. Book jacket.

Jack White: How he Built an Empire from the Blues Nick Hasted 2016-09-30

Das Sizilien-Lesebuch Almut Irmscher 2016-06-15 Sizilien - die sonnengeküsste Insel der Götter Einst landete Odysseus auf seiner Irrfahrt an den Gestaden einer fremden Insel an. Azurblau leuchtete das Mittelmeer unter der hell strahlenden Sonne, sanft rollten die Wogen gegen schroffe, dunkle Lavafelsen. Üppiges Grün wucherte an den Hängen des Eilands, und der Duft prächtiger Blumen füllte die Luft mit süßlich-schweren Aromen. In der Ferne überragte ein mächtiger Berg die liebliche Szenerie. Sein Gipfel war schneebedeckt, und Rauch stieg von ihm auf. Dankerfüllt blickte Odysseus hinauf zum Himmel. Die Götter hatten ihn in ihre Heimat geführt! Auf den Spuren des Odysseus lädt Sie dieses Buch zu einer unterhaltsamen Entdeckungsreise nach Sizilien ein - der Insel der Götter. Von den Griechen und Römern der Antike reicht der bunte Bilderbogen der Geschichten

über Kulturschätze, Naturwunder und kulinarische Hochgenüsse bis hinein in die finstere Unterwelt der Mafia. Geschichten für die Träume von mediterraner Wärme, von faszinierenden Stimmungen, großartigen Kunstschatzen und den verführerischen Genüssen Siziliens. Sizilien - die Heimat farbenprächtiger Folklore, süßen Marsalas, noch süßerer Mandeln, saftiger Zitronen und Orangen, würzigen Olivenöls und blutroten Weins, in dessen Bouquet sich die Würze der Erde mit der Glut der Sonne verbindet. Eine Insel, auf der sich Orient und Okzident begegnen wie kaum an einem anderen Ort. Wo sie beide ihre besten Seiten zu verführerischen Aromen und künstlerischen Meisterwerken vereinen, die weltweit ihresgleichen suchen. Wo die Spuren des antiken Griechenlands und Roms allgegenwärtig sind, und wo über all dem der feuerspeiende Ätna thront, Europas größter und aktivster Vulkan. Damit Sie alle Sinne mit sizilianischen Impressionen verwöhnen können, gibt es zu jedem Kapitel ein Rezept aus Sizilien. Lassen Sie sich überraschen! Aus dem Inhalt: Auf den Spuren des Odysseus: Selinunt - Das Landleben ist bunt: die Carretti Siciliani - Aischylos und Anchovis: Der letzte Fischer von Gela - Menschen auf Sizilien: eine Reise durch die Jahrhunderte - Die Explosion der Aromen: Siziliens Küche - Unter Geiern: Sizilien heute - Von Nymphen, Malern und Tyrannen: Syrakus - Die Rettung der Schwarzen Madonna: Wundersames aus Patti - Zwischen Schlamm und Schwefel: Vulcano - Orlando und Angelica: Sizilien im Serienfieber - Polyphemos, der wütende Riese von Aci Terezza - Das Rätsel um Rosalia: die Toten von Palermo - Die satanische Lust am Quälen: das Grauen von Agrigent - Dampf und Spaghetti: wundersame Dinge vom Monte San Calogero - Salz und Sterne: die Salinen von Trapani - Ein Panoptikum aus längst vergangenen Tagen: Beachvolleyball auf Sizilien - Schmelztiegel der Kulturen: die normannisch-arabisch-byzantinische Kunst - Drei Beine der Göttlichkeit: Sizilien, Insel der Götter - Tage des Grauens: Erdbeben im Val di Noto - Göttliche Verwicklungen: ein ziemlich

verrückter Exkurs in die Mythologie - Auf der Suche nach Ruhe:

Sympathy for the Devil? Manuel Trummer 2011 Die Bedeutung
 von Tradition in den Alltagskulturen der Gegenwart unterliegt
 einem markanten Wandel. Unter dem Einfluss von
 Globalisierungsprozessen und dem Innovationsdruck der
 modernen Popkultur sinken die kulturellen Zugangsschwellen zu
 traditionellen Phänomenen. Tradition wird fluide und erfährt so
 eine Revitalisierung in den unterschiedlichsten
 populärkulturellen Medien. Am Beispiel der zentralen
 europäischen Traditionsfigur des Teufels zeichnet diese Studie
 den fundamentalen Wandel nach, den Satan, Mephisto, Luzifer
 durch den Transfer in das popkulturelle Medium Rockmusik
 vollzogen hat. Auf der methodischen Grundlage einer Analyse
 populärer Medientexte entwickelt sich so eine spannende und
 materialreiche Geschichte des Diabolischen in der Rockmusik von
 den 'Teufelspakten' des Delta Blues über das Spiel mit populärer
 Religiosität der Beatles bis zu den satanistischen Black-Metal-
 Szenen der modernen Heavy-Metal-Kultur. Dabei wird deutlich,
 wie sehr der Rekurs auf den Teufel stets von zeit- und

gruppenspezifischen kulturellen Bedürfnissen gelenkt wird. Das
 Traditionale bleibt stets auch das Aktuelle. Es bildet eine wichtige
 Zukunftsoption innerhalb der reflexiven Moderne. Manuel
 Trummer, Dr. phil, arbeitet als wissenschaftlicher Assistent am
 Lehrstuhl Vergleichende Kulturwissenschaft im Institut für
 Information und Medien, Sprache und Kultur der Universität
 Regensburg. Forschungsschwerpunkte sind Populare
 Musikkulturen des 20. und 21. Jahrhunderts, Traditionale
 Phänomene im Prozess der Modernisierung sowie
 Ernährungskulturen im historischen und europäischen Vergleich.

The Language of the Blues from Alcorub to Zuzu Debra
 DeSalvo 2006 A dictionary of blues lyrics invites listeners to
 interpret what they hear in blues songs and blues culture, and
 includes excerpts from interviews with such musicians as Dr.
 John, Bonnie Raitt, Hubert Sumlin, and Buddy Guy.

Seems Like Murder Here Adam Gussow 2010-03-15 Winner of the
 2004 C. Hugh Holman Award from the Society for the Study of
 Southern Literature. *Seems Like Murder Here* offers a revealing
 new account of the blues tradition. Far from mere laments about
 lost loves and hard times, the blues emerge in this provocative
 study as vital responses to spectacle lynchings and the violent
 realities of African American life in the Jim Crow South. With
 brilliant interpretations of both classic songs and literary works,
 from the autobiographies of W. C. Handy, David Honeyboy
 Edwards, and B. B. King to the poetry of Langston Hughes and
 the novels of Zora Neale Hurston, *Seems Like Murder Here* will
 transform our understanding of the blues and its enduring power.

The Rock Music Imagination Robert McParland 2019-08-09
 The Rock Music Imagination explores creativity in classic rock, its
 roots in the blues, and its wide cultural impact. The romantic
 strains of rock imagination are examined in the songs of popular
 rock bands, the sixties counterculture, science fiction, the rock
 music novel, and rock's attention to human rights in the global
 community.

Encyclopedia of Weird Detectives Paul Green 2019-09-12 The detective genre has explored supernatural and paranormal themes throughout its colorful history. Stories of detectives investigating spiritualists, ghostly apparitions, the occult and psychics have spanned pulp fiction magazines, comic books, novels, film, television, animation and video games. This encyclopedia covers the history of the genre in its multiple forms and informs and adds to the knowledge of either the new or informed reader. Its A-Z format provides ready reference by title. Detective fans browsing for new discoveries will enjoy the entertaining style.

Deep Blues Mark Winborn 2011 Deep Blues explores the archetypal journey of the human psyche through an examination of the blues as a musical genre. The genesis, history, and thematic patterns of the blues are examined from an archetypal perspective and various analytic theories. Mythological and shamanistic parallels are used to provide a deeper understanding of the role of the bluesman, the blues performance, and the innate healing potential of the blues. Universal aspects of human experience and transcendence are revealed through the creative medium of the blues. The atmosphere of Deep Blues is enhanced by the black and white photographs of Tom Smith which capture striking blues performances in the Maxwell Street section of Chicago. Jungian analysts, therapists and psychoanalytic practitioners with an interest in the interaction between creative expression and human experience should find Deep Blues satisfying. Deep Blues should also appeal to enthusiasts of music, ethnomusicology, and the blues.

Will I Ever Be Good Enough? Karyl McBride 2008-09-23 From experienced family therapist Dr. Karyl McBride, Will I Ever Be

Good Enough? is an essential guide to recovery for women with selfish, emotionally abusive, and toxic mothers—designed to help daughters reclaim their lives. The first book for daughters who have suffered the abuse of narcissistic, self-involved mothers, Will I Ever Be Good Enough? provides the expert assistance you need in order to overcome this debilitating history and reclaim your life. Drawing on more than two decades of experience as a therapist specializing in women's health and hundreds of interviews with suffering daughters, Dr. Karyl McBride helps you recognize the widespread effects of this emotional abuse and create an individualized program for self-protection, resolution, and complete recovery. Narcissistic mothers teach their daughters that love is not unconditional, that it is given only when they behave in accordance with maternal expectations and whims. As adults, these daughters have difficulty overcoming feelings of inadequacy, disappointment, emotional emptiness, and sadness. They may also have a fear of abandonment that leads them to form unhealthy romantic relationships, as well as a tendency to perfectionism and unrelenting self-criticism or to self-sabotage and frustration. Dr. McBride's step-by-step program will enable you to: (1) Recognize your own experience with maternal narcissism and its effects on all aspects of your life (2) Discover how you have internalized verbal and nonverbal messages from your mother and how these have translated into overachievement or self-sabotage (3) Construct a personalized program to take control of your life and enhance your sense of self, establishing healthy boundaries with your mother and breaking the legacy of abuse Warm and sympathetic, Dr. McBride brings a profound level of authority to Will I Ever Be Good Enough? that encourages and inspires you as it aids your recovery.
